

SESSION 8
Transforming Our Culture
Segment 1

The Political Illusion

Utopianism believes a perfect society can be developed with the right political solutions.

Utopian Politics

Political leaders have failed to rid society of problems, even with the promise of new laws.

The Ten Commandments

Biblical law became the foundation for law as Christianity spread.

The Transcendent Truth

The Law of God allows diverse people to live and work together.

Free and Limited Government

U.S. government was founded to make sure all the spheres of God's creation work properly.

The Loss of Law's Roots

With the rise of Darwinism, all absolutes including the Law of God are discarded, resulting in laws based on pragmatism.

Segment 2

Changing the Culture

Sharing the Christian worldview will restore the culture, including government.

Community Cohesion

When Christian love builds communities, culture is restored and crimes drop.
